There are four local, reputable companies who have done multiple installations at VMHB and are highly recommended. The first is a long term resident on Sloop Lane.

A Shade Above	Middletown, RI	401-849-5664
Pease Awning	W. Warwick, RI	401-438-2850
Dartmouth Awning	Dartmouth, MA	508-636-6838
Stafford Build Design	Tiverton, RI	401-649-1843

All VMHB awnings should have the following characteristics:

- white, non-corrosive, aluminum coated frame
- manual or electric motor with manual override
- high wind automatic retraction system optional
- solid or striped fabric permitted
- sample book available in manager's office
- town permit required for electrician to install outdoor socket
- multiple awnings permitted
